

RAND FIELD in WATERTOWN

RAND FIELD is located just West of the City of Watertown on West Main Street (Route 12E). This makes it convenient with respect to other sites used in the Tournament. By turning RIGHT out of Rand Field entrance, you will pass through Glen Park, Brownville, Limerick and eventually arrive in Chaumont (where Morris Tract Field is located). If you continue west you will see the field (on your right) between Chaumont and Three Mile Bay. Keep heading west and you will arrive at the fields in Cape Vincent. These are located on James Street just before you enter the village. Rand Field is the home of AMERICAN LITTLE LEAGUE. If using a GPS, use Lewis Street in Watertown as your destination.
